Dear Mrs. Nagurney and Mrs. Van Leuven:

In late October 1982, as you know, vandals caused extensive damage to the Peck Mausoleum in Maplewood Cemetery.

The repair of tombstones, vaults and mausoleums is not, I regret to say, within the realm of responsibility of the Maplewood Cemetery Association. I was under the impression that members of the Peck family were going to have the vaults closed and the door and window openings sealed to protect the earthly remains of the members of the Peck family who are buried in the Mausoleum and to prevent any further damage to the Mausoleum.

As of May 1983, no action was taken on the part of the Peck descendants on behalf of the damaged Mausoleum. That being the case--and given my great respect for the Peck family--I arranged (see enclosed copy of my memo of May 26, 1983 to Walter Wagner), at my own expense, to have the vault openings closed and the entrances to the Mausoleum sealed. These repairs have been completed.

The cost of the repairs was \$125.00. Will it be possible for you to reimburse me that amount?

Sincerely yours,

*S. Robert Powell*
